Ten strangers are summoned to a remote island. All they have in common is a wicked past they're

unwilling to reveal and a secret that will seal their fate, for each has been marked for murder. One of Dame Agatha Christie's darkest tales and a masterpiece of dramatic construction, This engaging mystery will keep you guessing to the very end!

5 Tips for Auditioning

1. **Confidence:** Walk in the door with your held head high and leave nerves at the door.
2. **Connection:** Be familiar enough with the material to make a connection with the reader by making eye contact.
3. **Find Action:** Acting means TO DO, not to talk. Find your actions and play them!
4. **Variety:** Feel the levels and dynamic in the scene. Don't play one emotion.
5. **Obstacle:** What's in the way of the character getting what he/she wants?
